

CAMPBELL'S FIRST AUTO FATALITY

ONE DEAD. Joe Peter Chioti, 67, driver of the 1950 Ford shown above, was killed Monday morning at the corner of Campbell Avenue and San Jose-Los Gatos Road when he made a left turn from the right hand lane around a car driven by Rose Cabral, 100 Sunnyside Avenue. Chioti's car was struck by a 1941 Buick convertible (background) driven by Russell Eugene Terry, traveling south along San Jose-Los Gatos Road. Chioti's wife, Lucy, was critically injured. Terry and passengers Lester and Junior Daniels received minor injuries.

SUBDIVISION, ZONING MATTERS OCCUPY COUNCIL; HIGH SCHOOL, GRANGE GET CONDITIONAL PERMITS

Main business of City Council Monday was the disposition of three zoning applications, and bond requirements requested by firm of Shulte, Robinson and Stone, subdividers of Kuehn Estates on Hamilton and San Jose-Los Gatos road.

The meeting was presided over by Mayor Pro-tem Joseph V. Gomes in the absence of Mayor R. W. Morton.

On the recommendation of City Engineer Mark E. Thomas and planning consultant, Nestor Barrett, City Council on the request of Stone that a decision be rendered immediately, agreed to require a performance bond for storm drains and sewers and a separate bond for streets and utilities.

Thomas recommended a storm drain sewer bond on the basis of separate lots amounting to \$150 a lot on a five-year plan.

Earlier, the council had informed the subdividers that a bond, not to exceed 100 per cent of improvements, will be required. Stone asked if the council would accept a bond from his contractor. Bobacina objected to this proposal on the grounds that should the bond be posted by the contractor and not the subdivider, it would put the city in the position of a "third party beneficiary."

Both Thomas and Barrett agreed with Bonacina that the subdivider should be directly responsible to the city for the faithful performance of subdivision requirements, but could find no legal objection to a joint bond.

GRANGE HEARING

Public hearing on Orchard City Grange's permit to use the Grange lot on the corner of Sanford and Fourth streets for a merchant parking lot was continued for one week to study recommendations of the planning consultant, following objections from interested residents in the area.

Anthony Raffanti, 39 S. Fourth street, and Byron Botts, 20 S. Fourth, withdrew their objections when Barrett recommended the following improvements: (1) that lot should be paved according to specifications of city engineer; (2) that vertical curbs and gutters be installed; (3) that access be limited by curb cuts and driveways for absolute traffic control; (4) that bumper guards be installed on the left property line; (5) that a low wall or barrier be erected to protect the view of homes and to separate moving traffic in the alley.

Martin S. Walsh, Grange attorney, said the Grange would accept a permit subject to these provisions.

HIGH SCHOOL GETS O.K.

A zoning permit was granted to Campbell Union High School District to move the Scout Hall from its present site on the west side of North Third street to the grammar school property to a lot on the northeast corner of Grant and Third streets, subject to improvements requested by 11 neighboring property owners, spokesmen by Al F. Weeks, 255 North Central avenue.

Main objection voiced by residents was that curb, gutters and sidewalks be required and that building be maintained in a proper manner.

William C. Henley, superintendent of Campbell Union School District (Continued on Page 8)

BLOOD BANK DUE HERE SEPTEMBER 29

Red Cross mobile blood bank of the Santa Clara Blood Center, Campbell branch, will be at the Methodist Church grounds Monday Sept. 29, to solicit blood donations from the citizens of Campbell.

Members of Campbell Community Club will donate their services as they have in the past and will be on hand to offer their services.

"Blood supplies have reached a dangerously low point in the county," Mrs. Verle Grizzle, chairman of the drive, said. "It may just be the usual summer slump," she said, "but the fact remains that there is very little blood available in the community for citizens, should the occasion arise for the need."

"This is not to mention the disastrous results due to a shortage of whole blood, should a situation arise where great quantities of blood would be needed in a hurry," she said.

The present drive is under the same organizational committee. Mrs. Ellen Lanphear has charge of the canteen, Mrs. Fern and Ellen Kallam assisting. Roberta York has charge of the child care department, while Claudine Hancock and Carolyn Thompson will work as typists. Assisting Mrs. Grizzle are committee members Mrs. Donald Lantz, Mrs. James Muir and Mrs. George Miller.

HEARING SET FOR MONDAY

An application has been filed with the City Council of Campbell by the Yellow Taxi Company requesting a permit to operate 24-hour service in Campbell.

The taxi service will be operated under the name of Yellow Cab Company of Campbell and, if the permit is granted, will be operated by Ernest L. Gee, 273 California street, Campbell.

The fare would be 25 cents per passenger to any place within the city limits. If one passenger rides, it's 25 cents; if five passengers ride, it's still 25 cents, according to the applicant.

The stand is intended to be located at the southeast corner of Campbell and Central avenue in front of the Shell service station.

Lee points out that the merchants of the town would benefit by the proposed service as transportation to the center of the town would be nominal.

Hearing on this application is set for next Monday night, Aug. 25.

LOCAL STORES HAVE FULL STOCKS OF BACK-TO-SCHOOL CLOTHES READY

Stores in this community now have full stocks of all back to school clothes at various price ranges. But, the demand will be heavy this year, so shoppers should take advantage of the fresh merchandise offered in the local stores before stocks are depleted and the choice is limited.

Clothes for every school age member of the family now are being shown. Kindergarten, grade school, high school, college, and career minded young people all will find in stores right in this area the newest trends in styles and fabrics suited to their particular age groups and needs.

Attention this fall is focused on school clothes. Merchants have been preparing for this season since early spring. They now have on hand clothes which will outfit school children from head to toe. Stores here have turned the spotlight on the school child so that when he returns to school he will be dressed comfortably and in style with his classmates.

Enrollment has jumped considerably in all local schools. That means that many more children must be outfitted this year. To avoid the crowds and the last minute rush, shoppers have been cautioned to come early to make their selections.

LEISURLY SHOPPING

By visiting local stores now, shoppers can be assured of leisurely shopping, a choice of merchandise, correct fits, and information of the right clothes for each school age member of the family to wear back to school.

Now is the opportune time to take the children along to let them help pick out their own school

togs. Stores will be uncrowded and mothers will find that shopping with their children along on the tour is easier than leaving the children at home. The clothes will be sure to fit if the child is there to try them on, and he will get the thrill of helping in the selection of them.

Both parents and children can participate in the fun of preparing the children to return to school. Local merchants have made choice selections of the latest fashions. Both new styles and classic standbys are included in this year's stocks.

COMPLETE JOB

Local stores are prepared to do the complete job of outfitting children with an eye to quality and value of merchandise. Clerks have been instructed in the latest data on new merchandise and are prepared to help parents and children in their selection of clothes.

All students want to look their best, be comfortable, and be in style with their classmates when they return to school. By visiting local stores early and taking advantage of their knowledge and supply of clothes, students will find that they can return to school completely confident that they are "putting their best foot forward."

Schools Ready For Busy Year

ELEMENTARY SCHOOLS PLAN TO OPEN FOR 1952-53 YEAR SEPT. 22

The Elementary Schools of Campbell Union School District will open Monday, September 22. This includes the Campbell Grammar, Cypress, Moorpark, Rosemary, San Tomas and Quito Schools.

School offices will be open on September 2 for the registration of all new pupils that were not enrolled at one of the Campbell Schools last year. Office hours for the Quito School will be held at the San Tomas School during the first part of September.

All new first grade pupils not enrolled in kindergarten last year must be five years and nine months old on September 1, 1952.

Pupils for kindergarten must be four years and nine months old on September 1, 1952.

Kindergarten pupils are accepted strictly on a first come first serve basis. Parents are advised to register all new pupils as soon as school offices are open. Pupils residing within one mile of school are expected to walk to school. Bus transportation is furnished beyond that point.

The Quito School is intending to service the Workman Homes area, McCoy Avenue, Quito Road, the western end of Pollard Road and the other streets in that area.

Cypress School is to serve the pupils residing in the area West of Santa Clara-Los Gatos Road and the streets running into the Santa Clara-Los Gatos Road from the East such as Williams, Fruitdale, Neal, the West end of Moorpark Avenue and most of that portion of Stevens Creek Road that lies within the Campbell Union School District.

Rosemary school is to serve those pupils living in the Central part of Campbell, west of Winchester Road, Casey Road, Pamilar and streets in that area; San Jose-Los Gatos Road and those streets running into it. The other schools will serve those portions remaining of their previous territory.

Those pupils who will attend the new Hamilton school to be started in September will, for the present, be divided between the Rosemary and Campbell Grammar schools.

All seventh and eighth grade pupils will attend the Campbell Grammar school.

Bea Wheeler, Moorpark recreation director, takes down entries for the Bike Day held at Moorpark School last Friday. Ron Shelton won the speed event. Christine Wilcox had best decorated bike. Other awards were made for age winners.

Contract Awarded For Sewer Work In Local Areas

Contract for developing a sewer system for residents of East and West Los Gatos, Saratoga, and Casey road area in Campbell was awarded by County Sanitation District 4 Friday to D. A. Parrish and Son.

Parrish's original bid for the job was \$241,971.93. Commission raised the figure \$6,000 to provide for additional rock fill, and then cut back the net figure to \$240,777 to other groups.

(Continued on Page 5)

WATER BOND ISSUES TO INCREASE LOCAL TAXES EIGHTY CENTS A YEAR

For the average home owner, the proposed water bond issues totaling \$1,450,000 which will be voted on Sept. 16, will represent an increase in his taxes of only 80 cents a year, it was stated yesterday by Frank L. Steindorf, New Jersey Ave., a director of the Santa Clara Valley Water Conservation District and Chairman of the Citizens Committee supporting the bonds.

Basing his calculations upon figures obtained from County Assessor Hayden Pitman, and emphasizing that the water bond taxes are on land only, Steindorf said that the owner of a \$10,000 to \$12,000 home, whose lot has a market value of approximately \$2000, will pay about 80 cents the first year and slightly less each year until the bonds are retired.

Last years assessed valuation of lands within the boundaries of the Water Conservation District was \$70,857,910. The tax to retire the proposed \$1,450,000 in bonds will be 13.7 cents per \$100 of assessed valuation. Since the mean average of assessed valuation of the lots in the \$10,000 to \$12,000 home category is \$600, this largest group of property owners in the district will pay this very nominal increase in their taxes, Steindorf stated.

The return on this very small investment is phenomenal, the

water conservation leader continued. Communities in this area using Hetch Hetchy water are paying \$72 per acre foot, which may be taken as the going wholesale rate for water, he explained. The district's present dams this past winter yielded 119,000 acre feet of impounded water, which at the rate of \$72 is worth \$8,568,000.

Completed Lexington Dam will yield an additional 25,000 acre feet valued at \$1,800,000. Thus the annual stake shared by all residents of the district is \$10,368,000, and actually the impounded water is precious beyond this monetary value, for at present there is no outside source from which it can be obtained.

The bonds will complete Lexington Dam on Los Gatos Creek and build two urgently needed cross valley canals which will speed percolation of the impounded water into the Valley's underground gravel beds.

ENJOY SPORTS EVENING

Wednesday evening the Campbell Chatter and Patter club of sixth to eighth graders, enjoyed an evening of swimming in the backyard pool of Mrs. Leonard Merritt. After the swim, the group participated in dancing in the Merritt's outdoor barbecue patio.

CAMPBELL MERCHANTS INAUGURATE FIRST DOUBLE STAMP DAY IN CITY

Campbell merchants, anticipating increased volumes of sales from Campbell area shoppers preparing for school openings next month, as an extra incentive to shop locally, have agreed to hold a double stamp day next Thursday, a week from today.

This will mean added savings to local shoppers, merchants pointed out, for the 31 participating stores in the Campbell Stamp plan have agreed to give out twenty stamps for every one dollar purchase. That makes each stamp worth five cents. It acts in effect as a five percent discount on every purchase the shopper makes in the Campbell area from a participating Campbell merchant.

"That also means," the merchants remind shoppers, "that the stamp books will be filled twice as fast, and will be accepted as \$3.00 payment for any article purchased from a store which gives Campbell Merchants' Stamps. Every dollar spent in Campbell increases the wealth of this rapidly growing city."

There are stores in the city that can supply every need of the season. Automobile needs, furniture, hardware, sports equipment, variety items, cleaning needs, shoes, groceries, nursery items, clothing, garden gear, women's wear, and many others can be bought quickly, conveniently, and reasonable at the local stores.

Customers may obtain stamp savings books from any of the merchants participating. Filled books may also be redeemed at these stores.

ROTARY SEES PICTURES

At the last regular meeting of the Campbell Rotary Club, Chairman Homer Hyde presented his father and mother, Mr. and Mrs. Ralph Hyde, who provided the group with an illustrated lecture program and pictures of scenes photographed on recent vacation trips.

as principal of the new Rosemary School.

Mrs. Main was formerly a teacher of the San Jose Unified School District and President of the San Jose Teachers Association. She is the mother of two children.

Rideout also is a former San Jose teacher, is married and has four children.

Royer lives in Campbell with his wife and two sons.

Included in the faculties of the various schools are 35 new members, approximately one half of which are replacements and the other one half, additions to the faculties. These include: Mrs. Gloria Cameron of Gilroy, Mrs. Jean Myers of Pacific Grove, Mrs. Ruth Lambert of San Jose State College, Mrs. Fay Ann Cheda of San Jose State College and Harmony, Miss June McGee of Earlmar, Mrs. Rita Fischer of Watsonville, Mrs. Elaine Hendricks of Woodstock, Illinois, Mrs. Velva Williams of San Jose, Miss Barbara Taylor of Redding and San Jose State College.

Mrs. Beatrice Grace of San Jose, Mr. Donald Kjelstrup of Minnesota, Mr. Harold McGill of San Jose State, Mrs. Thelma Bramley of Los Gatos, Mr. Robert Landreth of Ceres, Miss Dorothy Fouch of Sunol School.

Mrs. Gladys Smith of San Jose, Miss Lorene Risell of Turlock, Mr. James D'Avia of San Jose State, Mrs. Lauretta Hall, County Speech Therapist, Wallace Johnson of King City, Mrs. Nancy Drew of San Jose State, Mrs. Janice Atkinson of San Jose.

Mrs. Carol Hageman of San Jose State, Oliver Pierce of Niles, Mrs. Patricia Alpers of Willits, Mrs. Rose Wright of San Jose, William Pentony of San Jose, Mrs. Dorothy Ingham of Watsonville, Miss Phyllis Jones of Santa Cruz and San Jose State, Richard Cirigliano of Jackson, John Ballenger of North Ridge, Miss Barbara McKay of Fresno, Mrs. Esther Craig of Campbell.

Two new nurses, Mrs. Jane Ruffino and Mrs. Louise Karpen of the County Health Department have been added to the staff.

VFW TO HOLD PICNIC SUNDAY; TO PARADE SAT.

Campbell VFW Post No. 6305, Lt. Byron C. Lanphear held a meeting Tuesday night at which final plans were laid for a potluck picnic to be held this Sunday at Longbridge, from 10 a.m. to 4 p.m.

Free refreshments will be served and there will be games and races for both children and adults, a spokesman announced. All veterans and their families in the community are cordially invited.

On August 30 the Post and Auxiliary will parade at the Tri-City Festival sponsored by VFW for the benefit of Fourth Guidance and Community Service Program to be held at Daly City.

TO HOLD POTLUCK

VFW Post 3605 will hold a potluck supper at the home of Mr. and Mrs. Ethan Lanphear on Sweetbriar Avenue.

Betty Peterson Wins Scholarship To Whitman College For Second Year

Miss Betty Lou Peterson, 19 year old daughter of Mr. and Mrs. Wilfred A. Peterson of 65 North Milton, won for the second year in a row a \$1,000 scholarship to Whitman college, Walla Walla, Washington. The award is in addition to a \$200 grant given by the college itself.

This scholarship was awarded on the basis of Betty Lou's all around Americanism, as she has shown exceptional talent in the musical line, both vocal and instrumental, a vivacious personality, democratic ideals, active participation in club activities, combined with good looks, and a good scholastic record. She served as an officer in the Campbell Bethel, Job's daughters; belonged to the Order of the Rainbow for girls, Assembly No. 5, San Jose, and was an officer in the Girls Tri-Y of Campbell and a member of the San Jose Mermaids Aquade for two and one-half years.

Miss Peterson attended the college on the same scholarship last year after graduating from Campbell High School where she served on the staff of the year book. She was chosen from the many applicants, and was interviewed in Berkeley last June by scholarship after elimination of the college representatives. She was awarded the scholarship again this year on the basis of her school work last year.

While at the school last year she became a member of Tau Chapter, Phi Mu sorority, a national fraternity.

PEN WOMEN TO DISPLAY LATEST WORK

Paintings, sculpture, ceramics, books, articles, and musical compositions will be displayed by members of Santa Clara County Branch, National League of American Pen Women, at Montalvo, famous cultural center in Saratoga, on Saturday, Sept. 6, at 2:30 p.m.

The public is invited to the special "Member's Day" to meet the authors and artists and to become acquainted with the work of the local branch.

A musical program will highlight the afternoon, following which refreshments will be served.

Tickets may be reserved, at 50c each, by contacting the chairman, Mildred Kaucher, at 143 Bella Vista, Los Gatos, or by calling EL-gato 4-4697. Harriet Delmas at 225 S. 13th St., San Jose (Cypress 4-9392) is also taking reservations.

She reached second place honors last year in the selection of the campus queen and expects to run again this year.

When she reenters college this fall, Miss Peterson will be a sophomore. Her eventual ambition upon graduation is to teach physical education at some high school.

This summer she attended San Jose State College and took courses in psychology.

Before leaving for college the first week in September, Miss Peterson plans to spend a short vacation with relatives at Lake Tahoe.

Nevils - Harvey Wed At Local Baptist Church

Recent marriage rites uniting Bonnie Lee Nevils and James Stanley Harvey were conducted by the Rev. Lyle Cushman at Campbell Baptist Church.

White gladioli and white chiffon Shasta daisies decorated the church.

The bride was given in marriage by her father, Dee B. Nevils. She wore a white satin and imported nylon lace ballerina length gown. Her crown of seed pearls secured a veil of nylon bordered with lace. The bridal bouquet was composed of stephanotis and a white orchid, arranged on a bible.

Miss Helen DeLauder was maid of honor. She wore a pink nylon net formal offset by a French bouquet of lavender carnations.

Wedding selections were sung by Mrs. Anna Caldwell and Bob Hemline accompanied by Mrs. Gertrude Buchanan.

George McIsaac Jr. served as best man while Ray Jackson and Larry Lewis seated the guests.

Mrs. Jamie Harvey Stevens, mother of the benedict, attended the wedding wearing a royal blue dress with navy accessories and a white carnation corsage at her shoulder. Mr. and Mrs. Stevens traveled from Louisiana to attend Mrs. Steven's son's wedding.

After the ceremony a reception was given in the home of the bride's parents.

Society... Personals... Clubs... Organizations...

BPWC TO HOLD JOINT MEETING AT MOUNTAIN VIEW AUGUST 28

Campbell Business and Professional Women's Club will meet with five other B. P. W. Clubs for a joint barbecue meeting August 28 at the Sunnyview Club in Mountain View. Speaker of the evening will be Miss Roberta Gerke, chief of Public Relation for the Robert Dollar Line. Miss Gerke is the Radio and TV chairman for the Peninsula District. Her recent trip to both political conventions and National and International meetings of the Business and Professional Women's Federation will add to the interest of her talk. The program will include a reading by Alma Fanning, Vice President of the Campbell Club. The Campbell group is making the programs for the evening as each club participates in the affair. Other clubs are Las Tres Bes, Willow Glen, Santa Clara, Sunnyvale and Mountain View B. P. W. Clubs.

The last regular meeting of the local club was held at the home of Leah Johnson on Alice Way. A report by Camp and Hospital Chairman, Mickey Mirassou, revealed the huge success of the drive for articles for the Palo Alto Veterans Hospital. She expressed her appreciation to members and friends who contributed and reminded of the need for toilet articles for men and especially for fresh fruit, a treat to the patients.

Mrs. Lucy Alderman gave a report as Health and Safety Chairman and Dorothy Ellis told of the last Community Service Fund Drive meeting. The budget of \$18,005 and its apportionments were discussed.

President Thelma Solari announced plans for the Peninsula District Fall Conference at Asilomar. It will be September 20 and 21, and interested members should

When the couple left for their wedding trip to Lake Tahoe, the new Mrs. Harvey wore a lavender butcher line suit with white accents and pinned on a white orchid corsage.

Bonnie Lee is a graduate of Campbell Union High School.

Harvey, son of Mrs. Stevens and the late J. S. B. Harvey, is now awaiting discharge from the Navy. The couple plan to make their future home in Tallahassee, Florida.

HEALTH TESTS VITAL FOR SCHOOL CHILD

Being "ready for school" carries with it much more meaning than a closet full of new plaid dresses, a pile of books and sharpened pencils. The child who is ready for school should also have a complete dental and physical check-up with immunization when necessary.

The child who enters school in the fall is stepping into a competitive situation, no matter how ideal. He cannot keep up with the mental progress of his classmates if his physical progress is neglected.

Often an eye test can discover eye trouble that can be corrected with simple treatment or glasses if caught in time. The child with faulty vision has a great handicap in his attempt to keep up with his group.

His hearing also must be normal if he is to attain the standards of his class. Correction can begin at once if faults are found.

TESTS ARE VITAL

Both sight and hearing tests are given by the schools, but is wise for the parents to have this done on their own as well. The time lost if a parent waits for the school's program to reach his child's particular class, could easily be spent in correcting a fault if one exists.

The immunization factor is as much a safeguard to the individual child as it is to the group. When a child is part of a group day after day, he is bound to catch whatever is "going around" and a wise parent takes all the precautions available.

The cold is a problem overcome to some degree by a natural immunity acquired through school contacts. The child who is over-protected against weather changes and contacts with persons other than members of his family tends to spend much more of his first school years "at home with a cold." Loss of school time by illness is a marked deterrent to school adjustment and progress.

Krug Services Held For Baby Susan J. Bauer

Funeral services were held at Krug Memorial Chapel Saturday for Susan Jane Bauer, infant daughter of Mr. and Mrs. Roy E. Bauer, 375 Sunnyoaks avenue.

Interment was at Oak Hill Memorial Park.

Baby Bauer is survived by sister Margaret Arlene and brothers William and James of Campbell. She was the granddaughter of Mr. and Mrs. Charles Bauer of Missouri, and Mr. and Mrs. J. L. Waters. She was the niece of Mrs. Bernice Ellebracht, Mr. Charles Bauer, Mr. and Mrs. J. Haper of Missouri, cousins, Mr. Glen Waters, Mrs. Marie Bentley, Mr. Russell Waters, John Waters, Edward Waters, Mary Ethel Waters, Hoella Waters, Sheran Kay, all of Sacramento, Calif., and Mrs. Wilmeth Rodebaugh of San Jose.

Buzz And Stitch Presents Gifts; Adds New Member

Buzz and Stitch Club of Campbell met at the home of Mrs. Jeanette Churchill last week, highlighted by the presentation of a birthday cake and presents to Eula Smith and to Mrs. Ethel Powers.

One new member, Mrs. Elva Rose was added.

Mrs. Eloise Williams, who underwent surgery recently was able to attend the last meeting.

Those present were: Mesdames R. H. Holmes, D. L. Powers, H. L. Smith, Robert Reese, C. R. Williams, Bill Hughes, and George Grant.

KITS ARE USEFUL

Small kits containing articles for various uses are practical items for school children. Manicure, sewing, and kits give the child an incentive to keep himself and his clothes neat and attractive.

JOB'S DAUGHTERS AND DeMOLAY TO HOLD JOINT DANCE SEPT. 6

As part of the summer recreation program planned by the Campbell Job's Daughters, a joint dance will be held with Bethels 129 and 206, International Order of Job's Daughters, and Los Gatos and San Jose chapters of Order of DeMolay Sept. 6 from 8 to 12 p.m. at the Scottish Rite Temple.

This dance will be open to anyone who wishes to attend. Bids may be purchased from members of the above organizations. Dancing will be to the music of Flash Martello's Orchestra.

The dance dress will be semi-formal and the theme "Aloha".

The high spot of the evening will be the selection of a queen to reign over the dance. The queen will be elected from the dancers on the floor by three impartial judges.

The planning committee for the affair are the Misses Maureen Wallis, Honored Queen of Bethel 129, San Jose; Kathleen Tyson, Honored Queen of Bethel 206, Los Gatos (El Gato 4-3318); Janis Henley, Honored Queen of Bethel 174, Campbell (3416); Mr. Anthony Nigro, Master Counselor, San Jose DeMolay (CY 3-1424); and Mr. Hubert Roberts, Master Counselor, Los Gatos DeMolay, (Campbell 2145). By calling any of the above numbers you may obtain a bid or any other desired information.

COMB AIDS NEATNESS

An aid to the school boy in keeping his hair combed during the day is a pocket comb in an attractive case. Tucked into his pocket, the comb will be a reminder to keep looking neat.

NEW SHOES BOOST MORALE OF CHILD

New shoes are the pride of any school child. This year they are obtainable in classic and new styles which will delight the children and will make parents happy because of their durability. When parents start out on their shopping trip to the shoe store, they should keep foremost in their minds the fact that if shoes look well but don't fit, their child will be uncomfortable. By taking a child to a reliable shoe or department store, parents can be assured that their child will have a choice of the newest in shoes and also will get a good fit. This year, children's shoes have been made with an eye to the practical side. Shoes for children have been produced which are attractive, fit well, and also will stand up under the rough wear, which all school children give their shoes.

Gas and electricity are cheap in California!

An impressive civic auditorium is the center of community life in San Jose

P.G. and E. home rates are far below U.S. average!

The cost of living has nearly doubled since 1940, but P.G. and E. domestic rates are actually lower than they were then! Nothing else you buy costs so little—does so much. Let P.G. and E.'s bargain gas and electricity do more of your work, bring you more of life's comforts.

Take SAN JOSE for example:

Typical residential gas and electric bill	
In San Jose	\$8.69
In all U.S. cities of similar size*	\$16.02

*Average for the 20 U.S. cities outside California between 85,000 and 100,000 population. Based on a typical use of 100 kilowatt hours and 100 therms of gas per month.

CAMPBELLITES TO HEAR TALK BY KNOWLAND

Republican workers from every community of the county will gather in San Jose Friday noon (August 22) to hear Senator William F. Knowland speak at the launching of the United Republican Finance campaign in the valley.

Among many from the Campbell area expected at the Sponsors' luncheon at the Hotel Sainte Claire, according to General Chairman Fred J. Fletcher, are Emerson M. Arends, Mrs. George Ninnis, John Kahle, Mrs. S. J. Miller and Mrs. Maud Hyde.

The united campaign will reach its climax in mid-September with a \$100-a-plate Crusade-to-Victory dinner addressed by national Republican notables. Goal of the campaign is \$71,000, to provide the county's share in local, state and national Republican activity for election of the Eisenhower-Nixon presidential ticket and to support county campaigns of Charles S. Gubser for Congress and of Bruce F. Allen for the States Assembly.

All county units of the Young Republicans, Republican Assembly, Pro-American, and Republican Women are organizing their membership for the united campaign. Chairman Fletcher said. He has also named unit chairmen to cover all business and industry, and Vice-Chairman Albert R. Bower of Palo Alto is appointing community chairmen this week. Mrs. Mabel I. Sontheimer of San Jose heads an active woman's division; Ernest H. Renzel Jr. is organizing general solicitation, and Donald H. Stelling of Cupertino is carrying the campaign to farms and orchards of the valley.

TIN CAN CRAFT NEW PROJECTS AT MORELAND

During the week, at Moreland School recreation, the children much of their time making items for "open house night," and finishing many of the projects that had been started but not completed. This week hot dish holders from coffee cans, and painted glasses were new projects.

All week the coming Pet Show to be held Friday was discussed.

Shortly after lunch, Friday, the children with their pets began coming in. The dogs were tied a reasonable distance from one another in the shade of one of the school buildings and well away from the rest of the pets.

Some of the children brought in more than one entry, and a disconcerting half hour was spent waiting for late arrivals amidst the barking, meowing, quacking, clucking and scratching of pet friends.

About forty pets (including frogs), about half a dozen mothers and almost 70 children were there. The children helped the judges examine the animals and pets, and distribute the awards.

After the pet show Mrs. Scarpace acted as hostess to our lemonade party. The children left happily, clutching their awards in one hand and leading, carrying or dragging home their pets in the other.

The most unusual pet was Nancy Beck. She came dressed as a leopard cub, and was led on a leash by her brother Tommy Beck.

The rest of the afternoon was spent cleaning up for the coming week—the last week of the summer school program.

Emphasis was placed on Open House program held Wednesday evening, August 20, from 7:30 to 8 p.m.

A selection of craft activities made by children during the summer was shown.

FIRST TRAFFIC FATALITY UNDER CITY JURISDICTION OCCURS AT S.J.-L.G. ROAD

The City of Campbell recorded its first traffic fatality under the jurisdiction of the Campbell Police Department, Monday morning at 9:30 a.m. in a two-car crash at the corner of Campbell Avenue and San Jose-Los Gatos Road.

Dead was Joe Pete Chioti, 67, of 63 Mariposa Court, Los Gatos. His wife, Lucy, 69, was critically injured.

Also hurt were Russell Eugene Terry, 26, 962 Moorpark Avenue, San Jose, driver of the second car, and passengers Lester Daniels, 31, of Sun Valley Auto Court, San Jose, and his brother, Junior Daniels, 21, of 525 McKendrie Street, San Jose.

According to eye-witness Rose Cabral, 100 Sunnyside Avenue, Campbell, who had come to a stop in the left hand lane, Chioti made a left turn from the outside lane on Campbell Avenue onto San Jose-Los Gatos Road, and was struck by the car driven by Terry which was traveling at approximately 35 miles an hour along the San Jose-Los Gatos Highway in the direction of Los Gatos.

According to the Campbell police department, which rushed to the scene of the accident, Junior Daniels, a passenger in the car driven by Terry, left the scene and was later found in an orchard nearby in a dazed condition.

The injured were taken to O'Connor Hospital. Both cars were total wrecks.

CHARLIE ADKINS, San Jose, Olympic welterweight champion—"No matter how mighty the Red Army may be, a fistful of knuckles in the face is as great an equalizer with a Russian as it is with any other man."

MORE ABOUT Contract Awarded

(Continued from Page 1) allow for less work to be performed by elimination of some streets in the East Los Gatos district from the project.

Contract was awarded after County Health Officer Dr. W. Elwyn Turner submitted a written statement defining critical areas in the four districts.

Supervisor Joseph M. McKinnon was the only commissioner objecting to awarding Parrish Bros. the contract for the sewer development. He claimed commission could not legally add to or subtract from the original bid offer, nor could the commission pare down or increase contract estimate.

He said the entire job should be re-advertised.

Commission meeting was presided over by new chairman, W. V. Wood, Saratoga. He was elected to succeed Charles DiSelle, Campbell, who resigned.

SIR PERCY SPENDER, Australian Ambassador, in S. F. address—"It is true that if Europe doesn't survive, freedom may be destroyed. But if Asia falls to Soviet imperialism, how will Europe survive?"

COUNTY FAIR WANTS QUEEN APPLICATIONS

Girls, girls and more girls are wanted as candidates in the Santa Clara County Fair Queen contest. Deadline for entries is August 25. Final judging will be held at the Fairgrounds on Sunday, August 31.

Theaters in communities throughout the county are holding their own contest for their areas. Audiences in the theaters on the night of the contest will choose the queen representative from their community who will appear in the final contest at the Fairgrounds.

Queen candidates must be between 17 and 25 years of age, single and residents of Santa Clara County. Entrants must be available within reasonable time periods one week prior to and during Fair Week, September 8 through 14.

Judges at the final contest will be members of the Board of Directors of the Santa Clara County Fair Association, and representatives of radio, press and television.

Judging of entrants will be on the following basis: (1) photographic appeal from the standpoint of press and television photography; (2) voice diction and enunciation must be adaptable to radio and television performance within reasonable standards; (3) charm, poise, personality and general appearance will be considered factors in final selection.

Miss County Fair will receive a trophy and represent the Santa Clara County Fair for 1952 in all television, stage and radio appearances.

A free 15-week model training course will be offered to the girl winning the Miss Santa Clara County Fair title by Edwards Fashion Model Studio in San Jose. Entry blanks may be obtained at Chamber of Commerce offices and theaters throughout Santa Clara County.

Republican Women Plan Fund-Raising Campaign Here

Republican Women's Club of Campbell met Monday at IOOF Hall for a meeting called by Mrs. Henry Miller, president.

The meeting was to organize committees to raise funds for the Republican campaign. The goal has been set for \$200. It was decided that all members and interested persons in the Campbell area be contacted to try to reach the goal.

"For every dollar contributed," Mrs. Miller said, "a ticket will be given. If someone gives one dollar, one ticket will be given; for five dollars, five tickets." These tickets will be put into a box from which a drawing will be held at a later date.

Lucky winner will receive a ticket to the \$100-a-plate dinner to be held in San Jose around the middle of next month.

Republican women urge that all interested persons contact either Mrs. George Rucker, 527 Winchester road, or Mrs. Miller, 90 North San Jose-Los Gatos road, or Mrs. E. T. Litvinsky, 811 Audrey.

More than 800 million acres of federally owned lands are located principally in the 11 western states and Alaska.

'Dad' Lee Returns To Campbell

Louis "Dad" Lee, 95-year-old reputed ex-Indian fighter and buffalo hunter, is back in Campbell after a visit to a friend's home whom he had reportedly not seen for seventy years.

Lee returned recently after visiting Andrew Hall, 94-year-old acquaintance, at his home in Belmont.

The two men were brought together as the result of a newspaper article in a San Mateo newspaper, which listed the asserted exploits of Hall in the days of the old West.

Lee, who said he had much in common with Hall, has his own stories of pioneer days, among which are mining in Leadville, working as cook for Teddy Roosevelt in South Dakota, driving 18,000 "longhorns" of the Burk Burnett herd and touring the country with Buffalo Bill as a sharpshooter.

Lee's wife died last year after a marriage lasting 54 years. Two married daughters, Camilla, and Dorothy, are now living in San Mateo county.

ADVENTISTS HOME FROM CAMP MEET

Members of the Campbell Seventh-day Adventist Church returned Sunday from Sequel where they have been attending the denomination's Central California Conference camp meeting.

The nine-day conference, attended by some 8,000 members of the church from 18 counties, closed Saturday night (August 16).

Highlights of the conference was the adoption of resolutions by Adventists to support tax exemption for church-operated schools and to oppose liquor advertising on radio and television.

In charge of various duties at the camp meeting was Elder H. H. Hare of the local church.

Church officers attending the nine-day camp meeting at Sequel were: Ralph Anderson, 511 Torton Way, San Jose; Gordon E. Greene, 13137 Potts Drive, San Jose and Mrs. Genevieve Black, 430 North Second Street, San Jose.

Elder Hare, pastor of the Campbell Church, announced that services will resume this Sabbath.

Judge Walsh To Present Lecture

Judge Martin S. Walsh, Campbell Justice of the Peace, will give an illustrated lecture with moving pictures of places and people he has visited on various trips in the United States, tonight at the County Industrial Farm and Alms House.

Judge Walsh has compiled a moving picture documentary of all places he has visited for the past several years and will explain the scenes depicted during the showing of the film.

NEWCOMERS

Baby daughter Carolyn Patricia, born to Mr. and Mrs. Arthur Jess Gritchow, 725 Wekiva, is now at home and getting acquainted with her parents. She was born Aug. 8 at O'Connor hospital.

Proud parent Mrs. Raymond Friar's blue-eyed baby boy, Robert Earle, two months old, now weighs 12 lbs., 3 oz., and reportedly looks just like his daddy.

COMFORT, STYLE ARE MUSTS FOR SCHOOL CLOTHES

In selecting clothes for the young school girl, several things are of prime importance . . . comfort, durability, style and (mothers might as well give in) popularity.

The mother should select garments of good quality, washability and simple style. These features are for mother's benefit . . . good quality will last longer, withstand more washings, and save money in the long run. Simple style is easier to iron and keep up . . . and usually is more comfortable for the child.

Popularity is the child's "say" in selection. Usually the mother who lets the child help make selections . . . and gives the child the "last word" in the final choice, will find that her child takes more pride in her clothes and feels more at ease.

Clothes fashioned for the younger children now feature many style details not found a few years ago. Instead of straight, practical, dark skirts and jumpers, they have pockets, and decorative belts. This "bonus" helps the little girls take pride in her appearance early in her life.

School classrooms, today are no longer drafty. Most of them are well-ventilated, with heat circulated evenly. For that reason a child should not be over dressed, or too warm. If she wears a sweater, it is preferable to have it one of the new, lightweight nylons.

They are easily laundered and comfortable to wear.

California's 1952 sugar beet crop has been estimated at 2,270,000 tons.

You'll save time if you make a personal number list for the whole family

When you've a hurry-up call to make . . . or just for day-to-day convenience in making telephone calls . . . you'll find a list of the numbers you call most often can be a helpful aid to faster service. And because memory often plays tricks, you'll find your personal number list will help you to avoid calling wrong numbers, and save you time when you can't quite recall the number of a friend. If you'd like to keep your number list in a handy, personal directory, just call, send a postcard, or drop in to your nearest Pacific Telephone business office. We'll be glad to give you a free special number booklet.

faster long distance service

can be yours, if you give the operator the out-of-town number you're calling rather than just the name and address. That way, you won't have to wait while she gets the number from "Information" in the distant town. So, add out-of-town numbers to your personal list, too.

'SEPARATES' SOLVE CO-ED SCHOOL CLOTHES PROBLEM

High school coeds have a common problem in planning school wardrobes—how to make a few good things do the job of many.

Their answer is in the new trend toward "separates . . ." convertible parts that are interchangeable and suitable for many occasions.

There was a time when words "skirt and blouse" reminded one of a blue and white uniform. No more. One skirt can be the pivot on which an entire classroom clothing plan revolves.

Chilly in class? Top it with a sweater.

Coke date after chemistry? Wear that nylon with the front ruffle.

Hate to iron? Use a cotton shirtwaist with a tinscarf at the neck.

VEST POPULAR

Vests, making their appearance in feminine attire a year ago, will be even stronger this year. They add a touch of warmth without (heaven forbid, say coeds) appearing too practical.

Reversible qualities in jackets and vests will have friends wondering how large a closet she has to house such a variety of clothes.

The new and growing trend toward simplicity in clothes and toward dual-purpose use for most ensembles, helps the co-ed more than any other women. She showers and dresses in the morning, and its a long time before she can change. Sometimes by the time she's ready to undress for bed . . . she's studied, dated, eaten, motored, and bicycled . . . all in the same outfit. She's got to have a flexible wardrobe.

Velveteen and corduroy are school girls' favorite fabrics this year. The traditional plaid wool skirt, "good" suit and special date dress, supplemented with corduroy separates, velveteen skirt and jumper, complete the coed's clothing needs for the term.

Combinations of different fabrics are used more extensively this year . . . thus with jacket-

skirt smart coed can double—or treble her wardrobe potential.

Girls seldom buy clothing for a special occasion any more . . . instead they choose pieces that will be suitable and in good taste for many different events.

Because sports clothes are in good taste for almost all campus activities, the casual, easy-to-keep-up clothes are wisest choices.

Rev. Carlson To Address Congregationals

Rev. Frank Carlson, former pastor of Congregational Church in Berkeley, will be the guest speaker Sunday at Campbell Congregational Church in the absence of regular pastor Rev. Corwin H. Olds, attending a national guard encampment.

Last Sunday's service was conducted by Rev. Frank C. Carlson, former superintendent of Oregon Congregational Churches, and son of this coming Sunday's speaker.

Dr. Olds will return to the pulpit Aug. 31.

Before washing children's new sweaters, make an outline of them on paper. By drying the sweater in the shape of the outline, they will be returned to their original size.

KINDERGARTEN IS TRYING TIME FOR LITTLE ONES

Starting your child in school in the right way is a very important step. You can be a great help in making his entrance to kindergarten a successful and happy one.

Do not ask to enter the child if he is not five years old before Dec. 31. To have him compete with children even a few months older than himself is an injustice to the child.

Remember this is your child's first break from the home. Talk about school pleasantly and praise him for being big enough to go to and from school alone. Parents make a mistake in accompanying children to school and prolonging the farewell after first arrangements are made.

Close cooperation with the teacher from the first day is vital to maintaining a healthy attitude between the child, his home and his school.

The child should be clothed simply in washable materials. Finger painting, clay modeling and recess play havoc with hard to clean clothes.

AVOID TARDINESS

The child should have ample time to get ready for school. A hurried child arrives at school greatly distressed—and more distressed if he must face "being tardy."

By the time the child starts school he should be able to care for his own nails, teeth and hair. He should have his own toothbrush, comb and nail file; pride in using these things will develop easily.

It is important to see that the youngster has ample sleep; the primary school child should sleep 11 or 12 hours every night. He is

starting a new and strenuous life . . . for the first time he is on his own and must constantly strive to keep up with the group. This is more of a strain than his "at home" days . . . even if it seems he runs and climbs less. He also gets up earlier as a rule, and

there is no opportunity to make up extra sleep on a tired morning.

The regularity of his home routine should parallel the new regularity of his school life.

IMPORTANT HABITS

Important are the habits he develops in these first years of

school. He must learn there is a time for play and a time for concentration; a time for running and a time to sit quietly. The habits he learns early in school will stick with him even to his college days. And always remember—a word of praise for his bungling little fingers will go much farther and produce better results than many words of criticism.

Use our Layaway Plan!

Somebody gambled...

Ordinarily you'd figure John for a pretty solid citizen. But tonight he was in a hurry to get home to tell his wife about his new raise. The minute he hit the curve he knew he was going a little too fast. They took him to the hospital, but he didn't regain consciousness.

It happens every day to solid citizens like John and you. How often do you gamble on a curve? Or pass on a hill? Or slip through on an amber light? If you do, it may not be long before someone looks down at you and says: "Somebody gambled . . . and lost!"

Junior Oddfellows Softball Leaders; VFW, Independents, Calado Follow

Campbell Junior Oddfellows belted themselves into a first-place, second-half lead in the Campbell summer softball program Monday with a 5-1 triumph over Don and Kerry's 76 in the 7 p.m. game on the grammar school diamond. This fourth straight win for the victors over first-half leader Don and Kerry's 76 came about mainly through White's six innings of no-hit pitch-

ing along with Ron Gilpatrick's three hits and Joe Propst's two. Oddfellows overall standing in the second half stands at four wins and no losses.

Trailing in league standing are VFW club, with two wins and two losses, Independents with two wins for two games, and Calado Studio with a win-loss record of two and one.

Last Friday the Oddfellows' White-Propst combination clicked again as White chalked up a one-hit, 14-4 win over Beverly-Burbank Lions. White's performance was topped by a sixth-inning homer with three men on the sacks, poled by Joe Propst, to give the Junior

Oddfellows their third straight victory.

Calado Studio asphixiated the Gas Construction club, 12-0, Monday in the 8:30 game behind three-hit winning pitching by Ochva. Good batwork of his team mates cinched the victory.

Top batter in the "A" league with each team having one more game to play is Vlastilica, of Calado Studio, who has sliced out a .625 in 16 trips to the plate. Propst of Junior Oddfellows, with a .565, collected nine hits in 16 trips. Costello of the Beverly-Burbank Lions is in third spot with .555, with 10 for 18.

Complete averages follow:

"A" LEAGUE BATTING AVERAGES

(Each team has one game left to play)

Batter, Team—	AB	Hits	Avg.
Vlastilica, Calado Studio	16	10	.625

THE BALLOT BATTALIONS ARE ON THE MARCH!—Hundreds of Kiwanis clubs in the United States are spearheading the formation of Ballot Battalions, which are comprised of patriotic, non-partisan groups. Local Ballot Battalions are sponsoring community-wide register and vote campaigns and their goals are: to register every eligible voter; to assist the public in obtaining the views of all candidates; and to urge every eligible citizen to vote in forthcoming elections.

SERVICE NOTES

WITH THE X CORPS IN KOREA—Cpl. Paul W. Mitchell, whose wife, Dorothy Jane, lives at 970 S. San Tomas Rd., Campbell, has received orders to return to the United States from Korea, where he has been serving with a unit of the X Corps.

The X Corps, fighting in mountainous terrain, controls in combat a number of units of division strength or less which are assigned to it. It has its own command post troops, who augment the fighting forces.

Mitchell was a member of Radio and Message Center Company, 4th Signal Battalion. He entered the Army in January 1951, and arrived in Korea in September of the same year.

He attended San Jose State College.

BUTTON STYLES TO BE FASHION

Feast or famine... that's going to be the button situation this coming fall season! There will be lines and lines of buttons, up and down, sideways and crosswise... on most every garment. Button decoration will be the big fashion news of the year!

Button, as a form closure and trim, range from the strictly functional type to the highly decorative styles. In the functional button, the manufacturer considers economy of production; in the decorative button the main consideration is fashion appeal.

Both functional and decorative buttons have presented a variety of problems... as varied as the materials of which they are made. Some are dyed with loose dyes that bleed onto the garment while steaming in pressing; others may change in size or shape in cleaning or pressing. Ceramic, glass, wood, mother of pearl and bone buttons are apt to chip in both wear and cleaning. Some translucent buttons may become cloudy with age. Buttons coated to resemble pearl often peel. Metallic portions of buttons often rust. Cloth covered buttons present their problems too... because of pasteboard bases, lining materials that bleed, and raveling of the fabric when not properly made. These are only a few of the problems you may have!

The NATIONAL INSTITUTE OF CLEANING AND DYEING suggests that you stay "fashion-wise" by being "button-wise". When you purchase your dress or suit, ask if the manufacturer has supplied an extra button or two. Many manufacturers do. This will eliminate the need of replacing an entire set of buttons should you lose one. Then be sure to take your garment to a cleaner who is responsible for removing and replacing the buttons.

REPORT OF PUBLIC ADMINISTRATOR

To the Honorable Superior Court of County of Santa Clara, State of California:

T. F. Kilmartin, Public Administrator of the County of Santa Clara, State of California makes this return of estates which have come into his hands, for the six months ending June 30th, 1952, in pursuance of the provisions of Section 1153 of the Probate Code of the State of California.

(Continued from page 1)
trict, appearing on behalf of the Board of Trustees, agreed as an individual that the objections were reasonable and asked that the City Clerk be directed to write a letter to the board outlining the conditions under which permit should be granted.

Mrs. Zilpah Etter withdrew her application for a permit to move a building, 10 x 20 feet, to the rear of her lot at 80 Sunnyside avenue, to be converted to a residence to be occupied by one person.

Mrs. Etter said she had sold the building that she had intended to move, but asked the council if she could be granted the permit to be used at a future date. Council denied the request and advised her to withdraw the application and re-file when she had acquired a specific building to be moved.

In the city attorney's report, Bonacina said the matter of a school traffic guard at the corner of Campbell avenue and Winchester road is being discussed with the County Council and that an answer should be ready for next Monday.

Bonacina said a traffic ordinance presently in the rough draft stage should be ready for first reading at next meeting.

TO HOLD AUCTION RUMMAGE
Campbell Lion's Club will hold an "Auction Rummage" sale Saturday at 283 E. Campbell Avenue, starting at 1 p.m. The sale is for the benefit of a site conservation fund for local schools.

HAWAII BOUND. Dr. and Mrs. J. Frederick Snyder were all smiles as they boarded Matson Lines Luxury Liner Lurline, Wednesday for a vacation in Honolulu. Dr. Snyder will visit island surgical clinics and hospitals. The Snyder's will return to Campbell on Labor Day.

PUPPET SHOW TO BE GIVEN

Children of Moorpark school, after a busy week making puppets, will present the results of their handiwork at a puppet show to be held in the pediatric ward of the county hospital, Wednesday, August 20, 1952.

Following the puppet show, the children in the hospital will receive the puppets to be used as play material.

An invitation is extended to all parents and friends in the Campbell area to attend Moorpark's Open House Thursday evening from 7 p.m. to 9 p.m.

There will be displays of some of the articles the youngsters have made during the recreation program this summer.

Winners Posted For Bike Day At Moorpark School

Bike Day was held at Moorpark school on Friday, August 15. The children enjoyed a number of different events which were classified by age group in order to give all of the youngsters a chance to win a ribbon.

The winners for the best decorated bikes were: first, Christine Wilcox; second, Sandra Posner; third, Val Connolly.

The winners in the racing events were: In the group over 12 years old, first Ron Shelton, second Wayne Young, third Robert Reykers. In the 11 and 12 year old group—first Clyde Adamson, second Val Connolly, third Wallace Davis. In the 9 and 10 year old group—first James Ginney, second Stephen Larson, third Gene Keuhn. In the 7 and 8 year old group—first Eddie Leaman, second Ronnie Troya, third Eleanor Miyakawa.

Two groups participated in remount relays. In the group for the older children, Ron Trevethan and Ron Shelton were first place winners. Verle Martin and Wayne Young were second and Val Connolly and Sheila Kashka were third.

In the relay for the younger children, Eleanor Miyakawa and Ronnie Troya were first place winners. Sandra Posner and Gordon Everett were second place winners, and Tommy Greer and Bobby Kashka were third place winners.

The first place winners in each group were treated to a weiner roast on Monday evening at the home of Bea Wheeler, one of the recreation directors at Moorpark school.

450 Club Holds Barbecue Picnic

Four-Fifty Guest Club held a barbecue at Alum Rock Park during the week. Children were entertained on the rides and later each received a surprise package.

Mrs. Thelma Breshears, vice-president and family, were on vacation at Clear Lake, and was missed by all the members. Door prize was won by Mrs. Betty Murray.

Campbell School Holds Music Week

The week of August 11 to 15 was music week at Campbell Elementary school recreation center. During the week, the children made rhythm instruments, which included tambourines, whistles, drums, jingle clogs, sand blocks, shakers, and chimes.

When a sufficient number of instruments were completed, the children played them in a rhythm band.

The week was climaxed Friday when the children took their instruments and visited the summer music class at Campbell High school, which is under the direction of Mr. Richard Gordon.

The music students played several selections, after which the children played their instruments for the music students.

The children returned to the playground and played several more "selections" after which they marched around the school grounds led by Connie Loveday.

Cambrian Ends Summer Program With Open House

Cambrian school wound up its recreation program with an open house, Wednesday evening, with a large display of craft work, dancing for the junior group, and refreshments of root beer made by the juniors.

Mrs. Barbara Patrick and Mrs. Walter Owen, both teachers who have been recreation leaders for the summer program, invited parents and neighbors to an open house. On display were crayon and dry brush stenciling, covered cigar boxes, plaster of paris residence signs, wishing wells, unusual paper mache masks, bracelets, bean pots and other articles.

Wednesday evening has been the regular weekly dance night for the junior group throughout the 10-week program.

Rutherford Rites Tomorrow For Mrs. Irene Gipe, 80

Funeral services will be held on Friday at Rutherford Funeral Home, for Mrs. Irene Gipe, 80, who died Tuesday at her home 298 Central Avenue, after a long illness.

Final funeral arrangements are pending the arrival of relatives. Mrs. Gipe is survived by her husband, Harry L. Gipe, and children, Mrs. Myrtle Martin, Santa Cruz; Melvin Montgomery, Huntington Park; Robert Montgomery, Los Angeles; Mrs. Lola Fields, Los Angeles; Mrs. Bula Terry, Belle; Mrs. Ivy Striplin, Modesto; and Mrs. Evelyn Heldt, Palo Alto.

Enjoy Visit

John R. Lynden Jr., his wife, Madeleine, and sons, John, Teddy, and Jimmy, from Seattle, paid a visit to John R. Lynden of Campbell and to the Farr family of San Jose.

Mrs. Farr is John Lynden's daughter and a dinner was served at the Farr home for twelve members of the Lynden and Farr families.

John R. Lynden Jr., graduated from Campbell Union High school, class of 1926, and now holds an executive position with Shell Oil Company, Seattle district.

The family visited Lynden's mother, Mrs. Speik, and will return to Seattle August 30.

ATHLETE'S FOOT GERM HOW TO KILL IT. IN ONE HOUR.

If not pleased, your doctor back. This STRONG fungicide SLOUGHS OFF the outer skin to expose buried fungi. Kills it on contact. Get Greasless, instant-drying T-4-L at any drug store. Today at Campbell Pharmacy, 269 E. Campbell Ave., and Clark's Drugs, 299 E. Campbell Avenue.

KIWANIS CLUB TO PRESENT SWIM SHOW

Campbell Kiwanis Club is preparing a display of precision swimming and dance routine performed in water at the Campbell Union High school pool Friday, September 12.

All proceeds from the aquacade will go towards Kiwanis sponsored boy and girl work in the Campbell area.

The show is directed by Fred and Mary Wejak, who have gathered together swimmers and dancers and have molded them into a precision swimming and dancing team.

Tickets are now being sold at Clark's Drug Store on East Campbell Avenue, or may be purchased from Campbell Kiwanis members.

GYMKHANA PLAY DAY TO BE HELD AT LOS GATOS

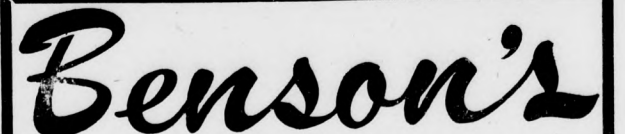

There will be a play day at the Los Gatos Gymkhana grounds off University Ave., Sunday afternoon, August 24, starting at 1 p.m.

President Bob says, "bring your friends and horses. All free, no fee. You do not have to be a member to participate. There will be lots of fun and excitement for every one."
